**Q1: Identify an aspect of your groupwork. What do you consider the primary objective or objectives of that aspect? Did you achieve this objective or objectives?**

**Q2: Why did the team achieve/not achieve your objective or objectives? What challenges did you face, and how did you attempt to overcome them? Were you successful in overcoming them fully?**

**Q3: What have you, as a member of this team, learned from attempting to meet this objective or these objectives?**

**Q4: Imagine this module lasted for another term, and I asked you to prepare another mini-report and presentation in the same team. What changes would you wish to make in the way you work as a team?**
